SOCIAL NETWORKING

YOUR TRADE SHOW

Events are a great way to connect with prospective customers, marketing partners, new employees and influencers in your industry. Learn how to use social media to get the most out of attending your next exposition.

PRE-SHOW

Preparation is key in reaching out to prospective clients. Follow these social media tips to get the conversation started:

Facebook

Set up a Facebook "Event Page" to interact with your lead generating audience. Use this as a resource for answering questions, conducting surveys or promoting a contest or special giveaway that is at the event.

Twitter

- Publish your trade show event details before the event. This is a great way to encourage attendees to visit exhibiting exhibitors.
- Find accounts of clients, vendors, media partners, press organizations, and follow them so, when you're at it, follow their behavior and are relevant to you!
- Invite a Twitter member to be able to send tweets on your behalf and engagement performance.
